

Everyone,

Come out for the 3rd set of SSC Spring Series races this Saturday. Skippers meeting at 11, races at midday. We expect to see Lasers, Sunfish, some two person dinghies and others.

Here is an update on what has been going on in the last month at the club:

From Social:

Over 70 people attended the Fajitas and Margaritas party, thanks to everyone for pitching in and making it a great success, here is a link to some pictures from the event:

The next event on the social calendar will be July 4th. Karina has big plans. In addition to our traditional watermelon race and model sailboat building/racing, we will have a waterslide, snow cone machine, popcorn and much much more. Members are welcome to invite friends, but we are asking for a \$25 donation per non-member family and \$15 per non-member individual.

There is a competition on to design SSC's club t-shirt, we have already had one great design submitted, follow the link below for details of the competition and be sure to get your design done before the deadline in early May.

If you have questions for the social governor e-mail kabigailg@yahoo.com

From Membership:

John Fricker has been doing a great job of getting articles submitted to local newspapers, and we have been working to improve and update our website so that prospective members have a better chance of finding what they need! We know it is still not perfect, but it has improved....

The first "learn to race" session was a great success, with everyone getting the opportunity to helm their boat, and negotiate around the marks we setup.

Please continue to put flyers up at your work and other spots, and tell everyone you know about Seabrook Sailing Club!!

If you have questions for the Vice Commodore/membership committee e-mail Zarwg@yahoo.com

From Youth:

Steve is planning the youth program for this year. It will be similar to last year with several sessions throughout the Summer. It will be open to SSC members only and parents will be required to attend with their children. As always it promises to be a lot of fun and a great way to introduce your kids to sailing.

For more details contact steven.a.taconelly@ubs.com

From Rebuild:

High winds have slowed getting the roof onto the new clubhouse, however as of this writing, almost half the roof is on the club, so progress continues!! Best guess for a completion date is still middle of this year.

Plans for the mausoleum have been submitted to the City of Seabrook , this will be similar to the old design, and will provide for 27 rental spots plus space for storage of unfurled Sunfish sails.

For questions on the rebuild e-mail steven.a.taconelly@ubs.com

From the Treasurer:

The board believes that the club needs to raise dues by \$10 effective July 1st, 2010 and a further \$10 effective January 1st, 2011. As per our by-laws, we have scheduled 3 regular member meetings to discuss this, with a vote on July 4th. People who cannot make the final voting meeting will be able to vote by proxy, proxy forms will be mailed and sent out electronically in plenty of time for the vote on July 4th. For more details on the meetings follow this link:

<http://www.seabrook-sailing.org/Lists/Announcements/DispForm.aspx?ID=150&Source=http%3A%2F%2Fwww%2Eseabrook%2Dsailing%2Eorg%2Fdefault%2Easpx>

Did you know that you can use your bank bill pay to pay your SSC Invoices? Simply set Seabrook Sailing Club up as a payee. You will not find us as an automatic choice, but you can add our address. Make sure you use your name as your account #. Then each month when you are paying the rest of your bills online, you can also pay us! Your bank will send us a check to the P.O. Box saving you the stamp. Give it a try, lots of other members already pay their invoice this way. Some have even set up automatic payments to cover their due and storage.

If you have questions for the treasurer e-mail genescott2@sbcglobal.net

Race:

Early season racing has been fantastic, as mentioned earlier, the next race is this Saturday. Skippers meeting at 11 first race at midday, hope to see everyone there.

Other significant dates are:

GC Windsurf regatta 5/15/2010-5/16/2010
Summer Solstice regatta 6/5/2010-6/6/2010
GC Laser regatta 6/19/2010-6/20/2010.

If you have questions for the race governor e-mail brook.wilson@gmail.com

From Piers and Harbors:

We are starting to look into the costs of professionally repairing the bulkheads along the waterfront. For the entire waterfront we are looking at costs of between \$65,000 and \$85,000. This is not something we expect to be able to start in the near future, but it is a maintenance item that we know needs to be addressed and one that we need to plan for.

If you have questions for the Piers and Harbors governor e-mail treycvg@swbell.net

From Grounds:

Kim has been working hard to cleanup the grounds, and had a work party last Saturday. Dumpsters have been ordered to get rid of the various trash piles that have been accumulated. It will take time to get SSC grounds looking the way we would like, but Kim has a plan! You can help when you are out there by picking up any miscellaneous debris or trash you see lying around.

Any questions on grounds e-mail kim.hester@total.com

Thanks for everyones continuing efforts!
